### Instant ELISA Kit for Tumor Necrosis Factor Alpha (TNFa) USC-IEA133MU

|                            |                                                                                                       |
|----------------------------|-------------------------------------------------------------------------------------------------------|
| Article Name               | Instant ELISA Kit for Tumor Necrosis Factor Alpha (TNFa)                                              |
| Biozol Catalog Number      | USC-IEA133MU                                                                                          |
| Supplier Catalog Number    | IEA133Mu                                                                                              |
| Alternative Catalog Number | USC-IEA133MU-48, USC-IEA133MU-96                                                                      |
| Manufacturer               | Cloud-Clone                                                                                           |
| Category                   | Kits/Assays                                                                                           |
| Species Reactivity         | Mouse                                                                                                 |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                   |
| Range                      | 15.6-1,000pg/mL                                                                                       |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 5.8pg/mL                               |
| UniProt                    | <a href="#">P06804</a>                                                                                |
| Samples                    | serum, plasma , tissue homogenates, cell lysates, cell culture supernates and other biological fluids |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                                              |
