| Article Name               | Multiplex Assay Kit for Insulin Like Growth Factor Binding Protein 3 (IGFBP3) ,etc. by FLIA (Flow Luminescence Immunoassay) |
| Biozol Catalog Number      | USC-LMA054HU                                                                                                                |
| Supplier Catalog Number    | LMA054Hu                                                                                                                    |
| Alternative Catalog Number | USC-LMA054HU-96                                                                                                             |
| Manufacturer               | Cloud-Clone                                                                                                                 |
| Category                   | Kits/Assays                                                                                                                 |
| Species Reactivity         | Human                                                                                                                       |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                                         |
| Range                      | 0.1-100ng/mL                                                                                                                |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.033 ng/mL                                                  |
| UniProt                    | <a href="#">P17936</a>                                                                                                      |
| Samples                    | Serum, plasma, tissue homogenates, cell lysates, cell culture supernates and other biological fluids                        |
| Application Notes          | FLIA Kit for Antigen Detection.                                                                                             |
