## Product Datasheet

### **Multiplex Assay Kit for Transforming Growth Factor Beta 1 (TGFb1) ,etc. by FLIA (Flow Luminescence Immunoassay) USC-LMA124GU**

|                            |                                                                                                                 |
|----------------------------|-----------------------------------------------------------------------------------------------------------------|
| Article Name               | Multiplex Assay Kit for Transforming Growth Factor Beta 1 (TGFb1) ,etc. by FLIA (Flow Luminescence Immunoassay) |
| Biozol Catalog Number      | USC-LMA124GU                                                                                                    |
| Supplier Catalog Number    | LMA124Gu                                                                                                        |
| Alternative Catalog Number | USC-LMA124GU-96                                                                                                 |
| Manufacturer               | Cloud-Clone                                                                                                     |
| Category                   | Kits/Assays                                                                                                     |
| Species Reactivity         | Guinea pig                                                                                                      |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                             |
| Range                      | 0.98-1000pg/mL                                                                                                  |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.327 pg/mL                                      |
| UniProt                    | <a href="#">Q9Z1Y6</a>                                                                                          |
| Samples                    | Serum, plasma, tissue homogenates, cell lysates, cell culture supernates and other biological fluids            |
| Application Notes          | FLIA Kit for Antigen Detection.                                                                                 |
