| Article Name               | Multiplex Assay Kit for Collagen Type IV (COL4) ,etc. by FLIA (Flow Luminescence Immunoassay) |
| Biozol Catalog Number      | USC-LMA180RA                                                                                  |
| Supplier Catalog Number    | LMA180Ra                                                                                      |
| Alternative Catalog Number | USC-LMA180RA-96                                                                               |
| Manufacturer               | Cloud-Clone                                                                                   |
| Category                   | Kits/Assays                                                                                   |
| Species Reactivity         | Rat                                                                                           |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                           |
| Range                      | 0.04-40ng/mL                                                                                  |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.013 ng/mL                    |
| Samples                    | Serum, plasma, tissue homogenates and other biological fluids                                 |
| Application Notes          | FLIA Kit for Antigen Detection.                                                               |
