## Product Datasheet

### **Multiplex Assay Kit for Hexosaminidase A Alpha (HEXa) ,etc. by FLIA (Flow Luminescence Immunoassay) USC-LMA195HU**

|                            |                                                                                                        |
|----------------------------|--------------------------------------------------------------------------------------------------------|
| Article Name               | Multiplex Assay Kit for Hexosaminidase A Alpha (HEXa) ,etc. by FLIA<br>(Flow Luminescence Immunoassay) |
| Biozol Catalog Number      | USC-LMA195HU                                                                                           |
| Supplier Catalog Number    | LMA195Hu                                                                                               |
| Alternative Catalog Number | USC-LMA195HU-96                                                                                        |
| Manufacturer               | Cloud-Clone                                                                                            |
| Category                   | Kits/Assays                                                                                            |
| Species Reactivity         | Human                                                                                                  |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                    |
| Range                      | 0.01-10ng/mL                                                                                           |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.003<br>ng/mL                          |
| UniProt                    | <a href="#">P06865</a>                                                                                 |
| Samples                    | Serum, plasma, tissue homogenates and other biological fluids                                          |
| Application Notes          | FLIA Kit for Antigen Detection.                                                                        |
