## Product Datasheet

### **Multiplex Assay Kit for Atrial Natriuretic Peptide (ANP) ,etc. by FLIA (Flow Luminescence Immunoassay) USC-LMA225HU**

|                            |                                                                                                        |
|----------------------------|--------------------------------------------------------------------------------------------------------|
| Article Name               | Multiplex Assay Kit for Atrial Natriuretic Peptide (ANP) ,etc. by FLIA (Flow Luminescence Immunoassay) |
| Biozol Catalog Number      | USC-LMA225HU                                                                                           |
| Supplier Catalog Number    | LMA225Hu                                                                                               |
| Alternative Catalog Number | USC-LMA225HU-96                                                                                        |
| Manufacturer               | Cloud-Clone                                                                                            |
| Category                   | Kits/Assays                                                                                            |
| Species Reactivity         | Human                                                                                                  |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                    |
| Range                      | 0.98-1000pg/mL                                                                                         |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.327 pg/mL                             |
| UniProt                    | <a href="#">P01160</a>                                                                                 |
| Samples                    | Serum, plasma, tissue homogenates, cell lysates, cell culture supernates and other biological fluids   |
| Application Notes          | FLIA Kit for Antigen Detection.                                                                        |
