## Product Datasheet

### **Multiplex Assay Kit for Beta-2-Microglobulin (b2M) ,etc. by FLIA (Flow Luminescence Immunoassay) USC-LMA260RA**

|                            |                                                                                                             |
|----------------------------|-------------------------------------------------------------------------------------------------------------|
| Article Name               | Multiplex Assay Kit for Beta-2-Microglobulin (b2M) ,etc. by FLIA (Flow Luminescence Immunoassay)            |
| Biozol Catalog Number      | USC-LMA260RA                                                                                                |
| Supplier Catalog Number    | LMA260Ra                                                                                                    |
| Alternative Catalog Number | USC-LMA260RA-96                                                                                             |
| Manufacturer               | Cloud-Clone                                                                                                 |
| Category                   | Kits/Assays                                                                                                 |
| Species Reactivity         | Rat                                                                                                         |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                         |
| Range                      | 0.02-20ng/mL                                                                                                |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.007 ng/mL                                  |
| UniProt                    | <a href="#">P07151</a>                                                                                      |
| Samples                    | serum, plasma, urine, tissue homogenates, cell lysates, cell culture supernates and other biological fluids |
| Application Notes          | FLIA Kit for Antigen Detection.                                                                             |
