| Article Name               | Multiplex Assay Kit for Cathepsin K (CTSK) ,etc. by FLIA (Flow Luminescence Immunoassay) |
| Biozol Catalog Number      | USC-LMA267PO                                                                             |
| Supplier Catalog Number    | LMA267Po                                                                                 |
| Alternative Catalog Number | USC-LMA267PO-96                                                                          |
| Manufacturer               | Cloud-Clone                                                                              |
| Category                   | Kits/Assays                                                                              |
| Species Reactivity         | Porcine                                                                                  |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                      |
| Range                      | 0.02-20ng/mL                                                                             |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.007 ng/mL               |
| UniProt                    | <a href="#">Q9GLE3</a>                                                                   |
| Samples                    | Serum, plasma and other biological fluids.                                               |
| Application Notes          | FLIA Kit for Antigen Detection.                                                          |
