## Product Datasheet

### **Multiplex Assay Kit for Thyroglobulin (TG) ,etc. by FLIA (Flow Luminescence Immunoassay) USC-LMA355MU**

|                            |                                                                                          |
|----------------------------|------------------------------------------------------------------------------------------|
| Article Name               | Multiplex Assay Kit for Thyroglobulin (TG) ,etc. by FLIA (Flow Luminescence Immunoassay) |
| Biozol Catalog Number      | USC-LMA355MU                                                                             |
| Supplier Catalog Number    | LMA355Mu                                                                                 |
| Alternative Catalog Number | USC-LMA355MU-96                                                                          |
| Manufacturer               | Cloud-Clone                                                                              |
| Category                   | Kits/Assays                                                                              |
| Species Reactivity         | Mouse                                                                                    |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                      |
| Range                      | 1.95-2000pg/mL                                                                           |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.65 pg/mL                |
| UniProt                    | <a href="#">O08710</a>                                                                   |
| Samples                    | Serum, plasma and other biological fluids                                                |
| Application Notes          | FLIA Kit for Antigen Detection.                                                          |
