| Article Name               | Multiplex Assay Kit for Thyroid Stimulating Hormone (TSH) ,etc. by FLIA (Flow Luminescence Immunoassay) |
| Biozol Catalog Number      | USC-LMA463RA                                                                                            |
| Supplier Catalog Number    | LMA463Ra                                                                                                |
| Alternative Catalog Number | USC-LMA463RA-96                                                                                         |
| Manufacturer               | Cloud-Clone                                                                                             |
| Category                   | Kits/Assays                                                                                             |
| Species Reactivity         | Rat                                                                                                     |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                     |
| Range                      | 14.65-15000pg/mL                                                                                        |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 4.883 pg/mL                              |
| Samples                    | Serum, plasma and other biological fluids                                                               |
| Application Notes          | FLIA Kit for Antigen Detection.                                                                         |
