| Article Name               | Multiplex Assay Kit for N-Terminal Pro-Brain Natriuretic Peptide (NT-ProBNP) ,etc. by FLIA (Flow Luminescence Immunoassay) |
| Biozol Catalog Number      | USC-LMA485HU                                                                                                               |
| Supplier Catalog Number    | LMA485Hu                                                                                                                   |
| Alternative Catalog Number | USC-LMA485HU-96                                                                                                            |
| Manufacturer               | Cloud-Clone                                                                                                                |
| Category                   | Kits/Assays                                                                                                                |
| Species Reactivity         | Human                                                                                                                      |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                                        |
| Range                      | 2.44-2500pg/mL                                                                                                             |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.813 pg/mL                                                 |
| UniProt                    | <a href="#">P16860</a>                                                                                                     |
| Samples                    | serum, plasma, tissue homogenates, cell lysates, cell culture supernates and other biological fluids                       |
| Application Notes          | FLIA Kit for Antigen Detection.                                                                                            |
