## Product Datasheet

### **Multiplex Assay Kit for S100 Calcium Binding Protein A12 (S100A12) ,etc. by FLIA (Flow Luminescence Immunoassay) USC-LMB080BO**

|                            |                                                                                                                  |
|----------------------------|------------------------------------------------------------------------------------------------------------------|
| Article Name               | Multiplex Assay Kit for S100 Calcium Binding Protein A12 (S100A12) ,etc. by FLIA (Flow Luminescence Immunoassay) |
| Biozol Catalog Number      | USC-LMB080BO                                                                                                     |
| Supplier Catalog Number    | LMB080Bo                                                                                                         |
| Alternative Catalog Number | USC-LMB080BO-96                                                                                                  |
| Manufacturer               | Cloud-Clone                                                                                                      |
| Category                   | Kits/Assays                                                                                                      |
| Species Reactivity         | Bovine                                                                                                           |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                              |
| Range                      | 4.8828-5000pg/mL                                                                                                 |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 1.6276pg/mL                                       |
| UniProt                    | <a href="#">P79105</a>                                                                                           |
| Samples                    | serum, plasma, tissue homogenates, cell lysates, cell culture supernates and other biological fluids             |
| Application Notes          | FLIA Kit for Antigen Detection.                                                                                  |
