## Product Datasheet

### Multiplex Assay Kit for Calcineurin (CaN) ,etc. by FLIA (Flow Luminescence Immunoassay) USC-LMB323RA

|                            |                                                                                         |
|----------------------------|-----------------------------------------------------------------------------------------|
| Article Name               | Multiplex Assay Kit for Calcineurin (CaN) ,etc. by FLIA (Flow Luminescence Immunoassay) |
| Biozol Catalog Number      | USC-LMB323RA                                                                            |
| Supplier Catalog Number    | LMB323Ra                                                                                |
| Alternative Catalog Number | USC-LMB323RA-96                                                                         |
| Manufacturer               | Cloud-Clone                                                                             |
| Category                   | Kits/Assays                                                                             |
| Species Reactivity         | Rat                                                                                     |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                     |
| Range                      | 0.01-10ng/mL                                                                            |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.003 ng/mL              |
| UniProt                    | <a href="#">P63329</a>                                                                  |
| Samples                    | tissue homogenates, cell lysates, cell culture supernates and other biological fluids   |
| Application Notes          | FLIA Kit for Antigen Detection.                                                         |
