## Product Datasheet

### **Multiplex Assay Kit for Bcl2 Associated X Protein (Bax) ,etc. by FLIA (Flow Luminescence Immunoassay) USC-LMB343HU**

|                            |                                                                                                       |
|----------------------------|-------------------------------------------------------------------------------------------------------|
| Article Name               | Multiplex Assay Kit for Bcl2 Associated X Protein (Bax) ,etc. by FLIA (Flow Luminescence Immunoassay) |
| Biozol Catalog Number      | USC-LMB343HU                                                                                          |
| Supplier Catalog Number    | LMB343Hu                                                                                              |
| Alternative Catalog Number | USC-LMB343HU-96                                                                                       |
| Manufacturer               | Cloud-Clone                                                                                           |
| Category                   | Kits/Assays                                                                                           |
| Species Reactivity         | Human                                                                                                 |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                   |
| Range                      | 3.91-4000pg/mL                                                                                        |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 1.303 pg/mL                            |
| UniProt                    | <a href="#">Q07812</a>                                                                                |
| Samples                    | Serum, plasma, tissue homogenates, cell lysates, cell culture supernates and other biological fluids  |
| Application Notes          | FLIA Kit for Antigen Detection.                                                                       |
