## Product Datasheet

### **Multiplex Assay Kit for Activating Transcription Factor 6 (ATF6) ,etc. by FLIA (Flow Luminescence Immunoassay) USC-LMB393HU**

|                            |                                                                                                                |
|----------------------------|----------------------------------------------------------------------------------------------------------------|
| Article Name               | Multiplex Assay Kit for Activating Transcription Factor 6 (ATF6) ,etc. by FLIA (Flow Luminescence Immunoassay) |
| Biozol Catalog Number      | USC-LMB393HU                                                                                                   |
| Supplier Catalog Number    | LMB393Hu                                                                                                       |
| Alternative Catalog Number | USC-LMB393HU-96                                                                                                |
| Manufacturer               | Cloud-Clone                                                                                                    |
| Category                   | Kits/Assays                                                                                                    |
| Species Reactivity         | Human                                                                                                          |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                            |
| Range                      | 0.0098-10ng/mL                                                                                                 |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.0033ng/mL                                     |
| UniProt                    | <a href="#">P18850</a>                                                                                         |
| Samples                    | tissue homogenates, cell lysates and other biological fluids                                                   |
| Application Notes          | FLIA Kit for Antigen Detection.                                                                                |
