## Product Datasheet

### Multiplex Assay Kit for Trefoil Factor 3 (TFF3) ,etc. by FLIA (Flow Luminescence Immunoassay) USC-LMB656HU

|                            |                                                                                                      |
|----------------------------|------------------------------------------------------------------------------------------------------|
| Article Name               | Multiplex Assay Kit for Trefoil Factor 3 (TFF3) ,etc. by FLIA (Flow Luminescence Immunoassay)        |
| Biozol Catalog Number      | USC-LMB656HU                                                                                         |
| Supplier Catalog Number    | LMB656Hu                                                                                             |
| Alternative Catalog Number | USC-LMB656HU-96                                                                                      |
| Manufacturer               | Cloud-Clone                                                                                          |
| Category                   | Kits/Assays                                                                                          |
| Species Reactivity         | Human                                                                                                |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                  |
| Range                      | 3.91-4000pg/mL                                                                                       |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 1.303 pg/mL                           |
| UniProt                    | <a href="#">Q07654</a>                                                                               |
| Samples                    | serum, plasma, tissue homogenates, cell lysates, cell culture supernates and other biological fluids |
| Application Notes          | FLIA Kit for Antigen Detection.                                                                      |
