## Product Datasheet

### **Multiplex Assay Kit for Troponin T (TNT) ,etc. by FLIA (Flow Luminescence Immunoassay) USC-LMB820MU**

|                            |                                                                                                       |
|----------------------------|-------------------------------------------------------------------------------------------------------|
| Article Name               | Multiplex Assay Kit for Troponin T (TNT) ,etc. by FLIA (Flow Luminescence Immunoassay)                |
| Biozol Catalog Number      | USC-LMB820MU                                                                                          |
| Supplier Catalog Number    | LMB820Mu                                                                                              |
| Alternative Catalog Number | USC-LMB820MU-96                                                                                       |
| Manufacturer               | Cloud-Clone                                                                                           |
| Category                   | Kits/Assays                                                                                           |
| Species Reactivity         | Mouse                                                                                                 |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                   |
| Range                      | 0.98-1000pg/mL                                                                                        |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.327 pg/mL                            |
| Samples                    | Serum, plasma, tissue homogenates, cell lysates, cell culture supernates and other biological fluids. |
| Application Notes          | FLIA Kit for Antigen Detection.                                                                       |
