## Product Datasheet

### **Multiplex Assay Kit for Fibroblast Growth Factor 10 (FGF10) ,etc. by FLIA (Flow Luminescence Immunoassay) USC-LMB882MU**

|                            |                                                                                                           |
|----------------------------|-----------------------------------------------------------------------------------------------------------|
| Article Name               | Multiplex Assay Kit for Fibroblast Growth Factor 10 (FGF10) ,etc. by FLIA (Flow Luminescence Immunoassay) |
| Biozol Catalog Number      | USC-LMB882MU                                                                                              |
| Supplier Catalog Number    | LMB882Mu                                                                                                  |
| Alternative Catalog Number | USC-LMB882MU-96                                                                                           |
| Manufacturer               | Cloud-Clone                                                                                               |
| Category                   | Kits/Assays                                                                                               |
| Species Reactivity         | Mouse                                                                                                     |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                       |
| Range                      | 0.49-500pg/mL                                                                                             |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.163 pg/mL                                |
| UniProt                    | <a href="#">O35565</a>                                                                                    |
| Samples                    | Serum, plasma, tissue homogenates, cell lysates, cell culture supernates and other biological fluids      |
| Application Notes          | FLIA Kit for Antigen Detection.                                                                           |
