## Product Datasheet

### **Multiplex Assay Kit for Aromatase (ARO) ,etc. by FLIA (Flow Luminescence Immunoassay) USC-LMC319RA**

|                            |                                                                                       |
|----------------------------|---------------------------------------------------------------------------------------|
| Article Name               | Multiplex Assay Kit for Aromatase (ARO) ,etc. by FLIA (Flow Luminescence Immunoassay) |
| Biozol Catalog Number      | USC-LMC319RA                                                                          |
| Supplier Catalog Number    | LMC319Ra                                                                              |
| Alternative Catalog Number | USC-LMC319RA-96                                                                       |
| Manufacturer               | Cloud-Clone                                                                           |
| Category                   | Kits/Assays                                                                           |
| Species Reactivity         | Rat                                                                                   |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                   |
| Range                      | 0.1-100ng/mL                                                                          |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.033 ng/mL            |
| UniProt                    | <a href="#">P22443</a>                                                                |
| Samples                    | Serum, plasma, tissue homogenates and other biological fluids                         |
| Application Notes          | FLIA Kit for Antigen Detection.                                                       |
