## Product Datasheet

### **Multiplex Assay Kit for Protease Activated Receptor 1 (PAR1) ,etc. by FLIA (Flow Luminescence Immunoassay) USC-LMC939HU**

|                            |                                                                                                            |
|----------------------------|------------------------------------------------------------------------------------------------------------|
| Article Name               | Multiplex Assay Kit for Protease Activated Receptor 1 (PAR1) ,etc. by FLIA (Flow Luminescence Immunoassay) |
| Biozol Catalog Number      | USC-LMC939HU                                                                                               |
| Supplier Catalog Number    | LMC939Hu                                                                                                   |
| Alternative Catalog Number | USC-LMC939HU-96                                                                                            |
| Manufacturer               | Cloud-Clone                                                                                                |
| Category                   | Kits/Assays                                                                                                |
| Species Reactivity         | Human                                                                                                      |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                        |
| Range                      | 0.01-10ng/mL                                                                                               |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.003 ng/mL                                 |
| UniProt                    | <a href="#">P25116</a>                                                                                     |
| Samples                    | Tissue homogenates, cell lysates and other biological fluids                                               |
| Application Notes          | FLIA Kit for Antigen Detection.                                                                            |
