| Article Name               | Multiplex Assay Kit for Regulator Of G Protein Signaling 9 (RGS9) ,etc. by FLIA (Flow Luminescence Immunoassay) |
| Biozol Catalog Number      | USC-LMD699MU                                                                                                    |
| Supplier Catalog Number    | LMD699Mu                                                                                                        |
| Alternative Catalog Number | USC-LMD699MU-96                                                                                                 |
| Manufacturer               | Cloud-Clone                                                                                                     |
| Category                   | Kits/Assays                                                                                                     |
| Species Reactivity         | Mouse                                                                                                           |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                             |
| Range                      | 0.01-10ng/mL                                                                                                    |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.003 ng/mL                                      |
| UniProt                    | <a href="#">O54828</a>                                                                                          |
| Samples                    | tissue homogenates, cell lysates, cell culture supernates and other biological fluids                           |
| Application Notes          | FLIA Kit for Antigen Detection.                                                                                 |
