## Product Datasheet

### **Multiplex Assay Kit for Arylsulfatase F (ARSF) ,etc. by FLIA (Flow Luminescence Immunoassay) USC-LMG613HU**

|                            |                                                                                              |
|----------------------------|----------------------------------------------------------------------------------------------|
| Article Name               | Multiplex Assay Kit for Arylsulfatase F (ARSF) ,etc. by FLIA (Flow Luminescence Immunoassay) |
| Biozol Catalog Number      | USC-LMG613HU                                                                                 |
| Supplier Catalog Number    | LMG613Hu                                                                                     |
| Alternative Catalog Number | USC-LMG613HU-96                                                                              |
| Manufacturer               | Cloud-Clone                                                                                  |
| Category                   | Kits/Assays                                                                                  |
| Species Reactivity         | Human                                                                                        |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                          |
| Range                      | 0.02-20ng/mL                                                                                 |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.007 ng/mL                   |
| UniProt                    | <a href="#">P54793</a>                                                                       |
| Samples                    | Serum, plasma, tissue homogenates and other biological fluids.                               |
| Application Notes          | FLIA Kit for Antigen Detection.                                                              |
