## Product Datasheet

### **Multiplex Assay Kit for Transcription Factor A, Mitochondrial (TFAM) ,etc. by FLIA (Flow Luminescence Immunoassay) USC-LMH050MU**

|                            |                                                                                                                    |
|----------------------------|--------------------------------------------------------------------------------------------------------------------|
| Article Name               | Multiplex Assay Kit for Transcription Factor A, Mitochondrial (TFAM) ,etc. by FLIA (Flow Luminescence Immunoassay) |
| Biozol Catalog Number      | USC-LMH050MU                                                                                                       |
| Supplier Catalog Number    | LMH050Mu                                                                                                           |
| Alternative Catalog Number | USC-LMH050MU-96                                                                                                    |
| Manufacturer               | Cloud-Clone                                                                                                        |
| Category                   | Kits/Assays                                                                                                        |
| Species Reactivity         | Mouse                                                                                                              |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                                |
| Range                      | 0.02-20ng/mL                                                                                                       |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.007 ng/mL                                         |
| UniProt                    | <a href="#">P40630</a>                                                                                             |
| Samples                    | Tissue homogenates, cell lysates and other biological fluids                                                       |
| Application Notes          | FLIA Kit for Antigen Detection.                                                                                    |
