## Product Datasheet

### **Multiplex Assay Kit for Actin Related Protein 2/3 Complex Subunit 2 (ARPC2) ,etc. by FLIA (Flow Luminescence Immunoassay) USC-LMJ601HU**

|                            |                                                                                                                           |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Multiplex Assay Kit for Actin Related Protein 2/3 Complex Subunit 2 (ARPC2) ,etc. by FLIA (Flow Luminescence Immunoassay) |
| Biozol Catalog Number      | USC-LMJ601HU                                                                                                              |
| Supplier Catalog Number    | LMJ601Hu                                                                                                                  |
| Alternative Catalog Number | USC-LMJ601HU-96                                                                                                           |
| Manufacturer               | Cloud-Clone                                                                                                               |
| Category                   | Kits/Assays                                                                                                               |
| Species Reactivity         | Human                                                                                                                     |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                                       |
| Range                      | 0.01-10ng/mL                                                                                                              |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.003 ng/mL                                                |
| UniProt                    | <a href="#">O15144</a>                                                                                                    |
| Samples                    | Tissue homogenates and other biological fluids.                                                                           |
| Application Notes          | FLIA Kit for Antigen Detection.                                                                                           |
