## Product Datasheet

### **Multiplex Assay Kit for Succinate Dehydrogenase Complex Subunit B (SDHB) ,etc. by FLIA (Flow Luminescence Immunoassay) USC-LMJ756RA**

|                            |                                                                                                                        |
|----------------------------|------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Multiplex Assay Kit for Succinate Dehydrogenase Complex Subunit B (SDHB) ,etc. by FLIA (Flow Luminescence Immunoassay) |
| Biozol Catalog Number      | USC-LMJ756RA                                                                                                           |
| Supplier Catalog Number    | LMJ756Ra                                                                                                               |
| Alternative Catalog Number | USC-LMJ756RA-96                                                                                                        |
| Manufacturer               | Cloud-Clone                                                                                                            |
| Category                   | Kits/Assays                                                                                                            |
| Species Reactivity         | Rat                                                                                                                    |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                                    |
| Range                      | 0.0977-100ng/mL                                                                                                        |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.0326ng/mL                                             |
| Samples                    | tissue homogenates, cell lysates, cell culture supernates and other biological fluids                                  |
| Application Notes          | FLIA Kit for Antigen Detection.                                                                                        |
