## Product Datasheet

### **Multiplex Assay Kit for Succinate Dehydrogenase Complex Subunit D (SDHD) ,etc. by FLIA (Flow Luminescence Immunoassay) USC-LMK214MU**

|                            |                                                                                                                        |
|----------------------------|------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Multiplex Assay Kit for Succinate Dehydrogenase Complex Subunit D (SDHD) ,etc. by FLIA (Flow Luminescence Immunoassay) |
| Biozol Catalog Number      | USC-LMK214MU                                                                                                           |
| Supplier Catalog Number    | LMK214Mu                                                                                                               |
| Alternative Catalog Number | USC-LMK214MU-96                                                                                                        |
| Manufacturer               | Cloud-Clone                                                                                                            |
| Category                   | Kits/Assays                                                                                                            |
| Species Reactivity         | Mouse                                                                                                                  |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                                    |
| Range                      | 0.01-10ng/mL                                                                                                           |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.003 ng/mL                                             |
| UniProt                    | <a href="#">Q9CXV1</a>                                                                                                 |
| Samples                    | Tissue homogenates and other biological fluids.                                                                        |
| Application Notes          | FLIA Kit for Antigen Detection.                                                                                        |
