## Product Datasheet

### Mini Samples ELISA Kit for Interleukin 10 (IL10) USC-MEA056HU

|                            |                                                                                                      |
|----------------------------|------------------------------------------------------------------------------------------------------|
| Article Name               | Mini Samples ELISA Kit for Interleukin 10 (IL10)                                                     |
| Biozol Catalog Number      | USC-MEA056HU                                                                                         |
| Supplier Catalog Number    | MEA056Hu                                                                                             |
| Alternative Catalog Number | USC-MEA056HU-48, USC-MEA056HU-96                                                                     |
| Manufacturer               | Cloud-Clone                                                                                          |
| Category                   | Kits/Assays                                                                                          |
| Species Reactivity         | Human                                                                                                |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                                                  |
| Range                      | 7.8-500pg/mL                                                                                         |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 3.1pg/mL                              |
| UniProt                    | <a href="#">P22301</a>                                                                               |
| Samples                    | serum, plasma, tissue homogenates, cell lysates, cell culture supernates and other biological fluids |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                                             |
