## Product Datasheet

### ELISA Kit for Procollagen II N-Terminal Propeptide (PIINP) USC-SEA257HU

|                            |                                                                           |
|----------------------------|---------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Procollagen II N-Terminal Propeptide (PIINP)                |
| Biozol Catalog Number      | USC-SEA257HU                                                              |
| Supplier Catalog Number    | SEA257Hu                                                                  |
| Alternative Catalog Number | USC-SEA257HU-48, USC-SEA257HU-96                                          |
| Manufacturer               | Cloud-Clone                                                               |
| Category                   | Kits/Assays                                                               |
| Species Reactivity         | Human                                                                     |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                       |
| Range                      | 93.75-6,000pg/mL                                                          |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 33.71pg/mL |
| UniProt                    | <a href="#">P02458</a>                                                    |
| Samples                    | serum, plasma, tissue homogenates and other biological fluids             |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                  |
