### ELISA Kit for Cluster of Differentiation 59 (CD59) USC-SEB336MU

|                            |                                                                          |
|----------------------------|--------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Cluster of Differentiation 59 (CD59)                       |
| Biozol Catalog Number      | USC-SEB336MU                                                             |
| Supplier Catalog Number    | SEB336Mu                                                                 |
| Alternative Catalog Number | USC-SEB336MU-48, USC-SEB336MU-96                                         |
| Manufacturer               | Cloud-Clone                                                              |
| Category                   | Kits/Assays                                                              |
| Species Reactivity         | Mouse                                                                    |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                      |
| Range                      | 62.50-4000pg/mL                                                          |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 25.5pg/mL |
| UniProt                    | <a href="#">O55186</a>                                                   |
| Samples                    | Serum, plasma, urine and other biological fluids.                        |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                 |
