## Product Datasheet

### **ELISA Kit for Calcium/Calmodulin Dependent Protein Kinase II Beta (CAMK2b)** **USC-SED332HU**

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Calcium/Calmodulin Dependent Protein Kinase II Beta (CAMK2b) |
| Biozol Catalog Number      | USC-SED332HU                                                               |
| Supplier Catalog Number    | SED332Hu                                                                   |
| Alternative Catalog Number | USC-SED332HU-48, USC-SED332HU-96                                           |
| Manufacturer               | Cloud-Clone                                                                |
| Category                   | Kits/Assays                                                                |
| Species Reactivity         | Human                                                                      |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                        |
| Range                      | 0.312-20ng/mL                                                              |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.113ng/mL  |
| UniProt                    | <a href="#">Q13554</a>                                                     |
| Samples                    | Tissue homogenates, cell lysates and other biological fluids.              |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                   |
