## Product Datasheet

### ELISA Kit for Carnitine Palmitoyltransferase 1A, Liver (CPT1A) USC-SEF368RA

|                            |                                                                          |
|----------------------------|--------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Carnitine Palmitoyltransferase 1A, Liver (CPT1A)           |
| Biozol Catalog Number      | USC-SEF368RA                                                             |
| Supplier Catalog Number    | SEF368Ra                                                                 |
| Alternative Catalog Number | USC-SEF368RA-48, USC-SEF368RA-96                                         |
| Manufacturer               | Cloud-Clone                                                              |
| Category                   | Kits/Assays                                                              |
| Species Reactivity         | Rat                                                                      |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                      |
| Range                      | 3.12-200ng/mL                                                            |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 1.18ng/mL |
| UniProt                    | <a href="#">P32198</a>                                                   |
| Samples                    | Serum, plasma, tissue homogenates and other biological fluids            |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                 |
