## Product Datasheet

### ELISA Kit for Secreted Frizzled Related Protein 2 (SFRP2) USC-SEF879HU

|                            |                                                                         |
|----------------------------|-------------------------------------------------------------------------|
| Article Name               | ELISA Kit for Secreted Frizzled Related Protein 2 (SFRP2)               |
| Biozol Catalog Number      | USC-SEF879HU                                                            |
| Supplier Catalog Number    | SEF879Hu                                                                |
| Alternative Catalog Number | USC-SEF879HU-48, USC-SEF879HU-96                                        |
| Manufacturer               | Cloud-Clone                                                             |
| Category                   | Kits/Assays                                                             |
| Species Reactivity         | Human                                                                   |
| Product Description        | 48T, 96T, 96T*5, 96T*10, 96T*100...                                     |
| Range                      | 78-5,000pg/mL.                                                          |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 31pg/mL. |
| UniProt                    | <a href="#">Q96HF1</a>                                                  |
| Samples                    | Serum, plasma, tissue homogenates and other biological fluids           |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                |
