## Product Datasheet

### Active Intercellular Adhesion Molecule 1 (ICAM1) USC-APA548HU62

|                            |                                                                                                                    |
|----------------------------|--------------------------------------------------------------------------------------------------------------------|
| Article Name               | Active Intercellular Adhesion Molecule 1 (ICAM1)                                                                   |
| Biozol Catalog Number      | USC-APA548HU62                                                                                                     |
| Supplier Catalog Number    | APA548Hu62                                                                                                         |
| Alternative Catalog Number | USC-APA548HU62-10, USC-APA548HU62-50, USC-APA548HU62-100, USC-APA548HU62-200, USC-APA548HU62-500, USC-APA548HU62-1 |
| Manufacturer               | Cloud-Clone                                                                                                        |
| Category                   | Proteine/Peptide                                                                                                   |
| Application                | Activity Assay, Cell Culture                                                                                       |
| Species Reactivity         | Human                                                                                                              |
| Molecular Weight           | Predicted Molecular Mass(KD): 51.1kDa. Accurate Molecular Mass(KD): 80kDa                                          |
| UniProt                    | <a href="#">P05362</a>                                                                                             |
| Buffer                     | PBS, pH7.4, containing 0.01% SKL, 1mM DTT, 5% Trehalose and Proclin300.                                            |
| Purity                     | > 95%                                                                                                              |
| Form                       | Freeze-dried powder                                                                                                |
