| Manufacturer               | Cloud-Clone                                                                                                        |
| Category                   | Proteine/Peptide                                                                                                   |
| Application                | Activity Assay, Cell Culture                                                                                       |
| Species Reactivity         | Feline                                                                                                             |
| Molecular Weight           | Predicted Molecular Mass(KD): 14.4kDa. Accurate Molecular Mass(KD): 22-30kDa                                       |
| UniProt                    | <a href="#">A9YUA6</a>                                                                                             |
| Buffer                     | PBS, pH7.4, containing 0.01% SKL, 1mM DTT, 5% Trehalose and Proclin300.                                            |
| Purity                     | > 90%                                                                                                              |
| Form                       | Freeze-dried powder                                                                                                |
