| Article Name               | Active Tumor Protein p53 (P53)                                                                                     |
| Biozol Catalog Number      | USC-APA928RA01                                                                                                     |
| Supplier Catalog Number    | APA928Ra01                                                                                                         |
| Alternative Catalog Number | USC-APA928RA01-10, USC-APA928RA01-50, USC-APA928RA01-100, USC-APA928RA01-200, USC-APA928RA01-500, USC-APA928RA01-1 |
| Manufacturer               | Cloud-Clone                                                                                                        |
| Category                   | Proteine/Peptide                                                                                                   |
| Application                | Activity Assay, Cell Culture                                                                                       |
| Species Reactivity         | Rat                                                                                                                |
| Molecular Weight           | Predicted Molecular Mass(KD): 33.7kDa. Accurate Molecular Mass(KD): 36kDa                                          |
| UniProt                    | <a href="#">P10361</a>                                                                                             |
| Buffer                     | 20mM Tris, 150mM NaCl, pH8.0, containing 1mM EDTA, 1mM DTT, 0.01% SKL, 5% Trehalose and Proclin300.                |
| Purity                     | > 97%                                                                                                              |
| Form                       | Freeze-dried powder                                                                                                |
