| Article Name               | Active Granulysin (GNLY)                                                                                           |
| Biozol Catalog Number      | USC-APB517HU61                                                                                                     |
| Supplier Catalog Number    | APB517Hu61                                                                                                         |
| Alternative Catalog Number | USC-APB517HU61-10, USC-APB517HU61-50, USC-APB517HU61-100, USC-APB517HU61-200, USC-APB517HU61-500, USC-APB517HU61-1 |
| Manufacturer               | Cloud-Clone                                                                                                        |
| Category                   | Proteine/Peptide                                                                                                   |
| Application                | Activity Assay, Cell Culture                                                                                       |
| Species Reactivity         | Human                                                                                                              |
| Molecular Weight           | Predicted Molecular Mass(KD): 15.6kDa. Accurate Molecular Mass(KD): 18&16kDa                                       |
| UniProt                    | <a href="#">P22749</a>                                                                                             |
| Buffer                     | PBS, pH7.4, containing 0.01% SKL, 1mM DTT, 5% Trehalose and Proclin300.                                            |
| Purity                     | > 80%                                                                                                              |
| Form                       | Freeze-dried powder                                                                                                |
