| Article Name               | Active Bone Morphogenetic Protein 3 (BMP3)                                                                         |
| Biozol Catalog Number      | USC-APC102MU61                                                                                                     |
| Supplier Catalog Number    | APC102Mu61                                                                                                         |
| Alternative Catalog Number | USC-APC102MU61-10, USC-APC102MU61-50, USC-APC102MU61-100, USC-APC102MU61-200, USC-APC102MU61-500, USC-APC102MU61-1 |
| Manufacturer               | Cloud-Clone                                                                                                        |
| Category                   | Proteine/Peptide                                                                                                   |
| Application                | Activity Assay, Cell Culture                                                                                       |
| Species Reactivity         | Mouse                                                                                                              |
| Molecular Weight           | Predicted Molecular Mass(KD): 38.3kDa. Accurate Molecular Mass(KD): 18kDa                                          |
| UniProt                    | <a href="#">Q8BHE5</a>                                                                                             |
| Buffer                     | PBS, pH7.4, containing 0.01% SKL, 1mM DTT, 5% Trehalose and Proclin300.                                            |
| Purity                     | > 90%                                                                                                              |
| Form                       | Freeze-dried powder                                                                                                |
