## Product Datasheet

### Recombinant Chemokine (C-X-C Motif) Ligand 3 (CXCL3), E. coli USC-RPB604EQ01

|                            |                                                                                                                    |
|----------------------------|--------------------------------------------------------------------------------------------------------------------|
| Article Name               | Recombinant Chemokine (C-X-C Motif) Ligand 3 (CXCL3), E. coli                                                      |
| Biozol Catalog Number      | USC-RPB604EQ01                                                                                                     |
| Supplier Catalog Number    | RPB604Eq01                                                                                                         |
| Alternative Catalog Number | USC-RPB604EQ01-10, USC-RPB604EQ01-50, USC-RPB604EQ01-100, USC-RPB604EQ01-200, USC-RPB604EQ01-500, USC-RPB604EQ01-1 |
| Manufacturer               | Cloud-Clone                                                                                                        |
| Host                       | E. coli                                                                                                            |
| Category                   | Proteine/Peptide                                                                                                   |
| Application                | Control, SDS-PAGE, WB                                                                                              |
| Species Reactivity         | Equine                                                                                                             |
| Molecular Weight           | Predicted Molecular Mass(KD): 10.7 kDa. Accurate Molecular Mass(KD): 11 kDa                                        |
| Tag                        | N-terminal His Tag                                                                                                 |
| UniProt                    | FJ469975.1                                                                                                         |
| Buffer                     | PBS, pH7.4, containing 0.01% SKL, 1mM DTT, 5% Trehalose and Proclin300.                                            |
| Source                     | Prokaryotic expression                                                                                             |
| Expression System          | Prokaryotic expression                                                                                             |
| Purity                     | > 90%                                                                                                              |
