| Article Name               | Recombinant Calmodulin 1 (CALM1), E. coli                                                                          |
| Biozol Catalog Number      | USC-RPD315RA01                                                                                                     |
| Supplier Catalog Number    | RPD315Ra01                                                                                                         |
| Alternative Catalog Number | USC-RPD315RA01-10, USC-RPD315RA01-50, USC-RPD315RA01-100, USC-RPD315RA01-200, USC-RPD315RA01-500, USC-RPD315RA01-1 |
| Manufacturer               | Cloud-Clone                                                                                                        |
| Host                       | E. coli                                                                                                            |
| Category                   | Proteine/Peptide                                                                                                   |
| Application                | Control, SDS-PAGE, WB                                                                                              |
| Species Reactivity         | Rat                                                                                                                |
| Molecular Weight           | Predicted Molecular Mass(KD): 18.1kDa. Accurate Molecular Mass(KD): 21kDa                                          |
| Tag                        | N-terminal His Tag                                                                                                 |
| UniProt                    | <a href="#">P62161</a>                                                                                             |
| Buffer                     | PBS, pH7.4, containing 0.01% SKL, 1mM DTT, 5% Trehalose and Proclin300.                                            |
| Source                     | Prokaryotic expression                                                                                             |
| Expression System          | Prokaryotic expression                                                                                             |
| Purity                     | > 90%                                                                                                              |
