| Article Name               | Recombinant Cereblon (CRBN), E. coli                                                                               |
| Biozol Catalog Number      | USC-RPG676MU01                                                                                                     |
| Supplier Catalog Number    | RPG676Mu01                                                                                                         |
| Alternative Catalog Number | USC-RPG676MU01-10, USC-RPG676MU01-50, USC-RPG676MU01-100, USC-RPG676MU01-200, USC-RPG676MU01-500, USC-RPG676MU01-1 |
| Manufacturer               | Cloud-Clone                                                                                                        |
| Host                       | E. coli                                                                                                            |
| Category                   | Proteine/Peptide                                                                                                   |
| Application                | Control, SDS-PAGE, WB                                                                                              |
| Species Reactivity         | Mouse                                                                                                              |
| Molecular Weight           | Predicted Molecular Mass(KD): 18.4kDa. Accurate Molecular Mass(KD): 20&18kDa                                       |
| Tag                        | N-terminal His Tag                                                                                                 |
| UniProt                    | <a href="#">Q8C7D2</a>                                                                                             |
| Buffer                     | PBS, pH7.4, containing 0.01% SKL, 1mM DTT, 5% Trehalose and Proclin300.                                            |
| Source                     | Prokaryotic expression                                                                                             |
| Expression System          | Prokaryotic expression                                                                                             |
| Purity                     | > 90%                                                                                                              |

|      |                     |
|------|---------------------|
| Form | Freeze-dried powder |
