| Article Name               | Recombinant Hypoxia Inducible Domain Family, Member 1A (HIGD1A), E. coli                                           |
| Biozol Catalog Number      | USC-RPS009HU02                                                                                                     |
| Supplier Catalog Number    | RPS009Hu02                                                                                                         |
| Alternative Catalog Number | USC-RPS009HU02-10, USC-RPS009HU02-50, USC-RPS009HU02-100, USC-RPS009HU02-200, USC-RPS009HU02-500, USC-RPS009HU02-1 |
| Manufacturer               | Cloud-Clone                                                                                                        |
| Host                       | E. coli                                                                                                            |
| Category                   | Proteine/Peptide                                                                                                   |
| Application                | Control, SDS-PAGE, WB                                                                                              |
| Species Reactivity         | Human                                                                                                              |
| Molecular Weight           | Predicted Molecular Mass(KD): 40.0kDa. Accurate Molecular Mass(KD): 42kDa                                          |
| Tag                        | N-terminal His and GST Tag                                                                                         |
| UniProt                    | <a href="#">Q9Y241</a>                                                                                             |
| Buffer                     | PBS, pH7.4, containing 0.01% SKL, 1mM DTT, 5% Trehalose and Proclin300.                                            |
| Source                     | Prokaryotic expression                                                                                             |
| Expression System          | Prokaryotic expression                                                                                             |

|        |                     |
