| Article Name               | GIP Polyclonal Antibody, AbBy Fluor-594 Conjugated, BF594, Rabbit                                      |
| Biozol Catalog Number      | BSS-BS-0098R-BF594                                                                                     |
| Supplier Catalog Number    | bs-0098R-BF594                                                                                         |
| Alternative Catalog Number | BSS-BS-0098R-BF594-100                                                                                 |
| Manufacturer               | Bioss                                                                                                  |
| Host                       | Rabbit                                                                                                 |
| Category                   | Antikörper                                                                                             |
| Application                | IF, WB                                                                                                 |
| Species Reactivity         | Human, Mouse                                                                                           |
| Conjugation                | BF594                                                                                                  |
| Product Description        | Potent stimulator of insulin secretion and relatively poor inhibitor of gastric acid secretion....     |
| Clonality                  | Polyclonal                                                                                             |
| Concentration              | 1ug/ul                                                                                                 |
| NCBI                       | <a href="#">2695</a>                                                                                   |
| UniProt                    | <a href="#">P09681</a>                                                                                 |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Source                     | KLH conjugated synthetic peptide derived from human GIP                                                |

| Target             | GIP                                                                         |
|--------------------|-----------------------------------------------------------------------------|
| Application Dilute | WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200) |
