| Category                   | Antikörper                                                                                                                                                                                 |
| Application                | FC, IF, WB                                                                                                                                                                                 |
| Species Reactivity         | Human, Mouse                                                                                                                                                                               |
| Conjugation                | BF594                                                                                                                                                                                      |
| Product Description        | Plays an important role in the regulation of cell survival, cell division, angiogenesis, cell differentiation and cell migration. Functions as potent mitogen in vitro (By similarity).... |
| Clonality                  | Polyclonal                                                                                                                                                                                 |
| Concentration              | 1ug/ul                                                                                                                                                                                     |
| NCBI                       | <a href="#">14173</a>                                                                                                                                                                      |
| UniProt                    | <a href="#">P09038</a>                                                                                                                                                                     |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                                                     |

|                    |                                                                                            |
|--------------------|--------------------------------------------------------------------------------------------|
| Source             | KLH conjugated synthetic peptide derived from mouse FGF2                                   |
| Target             | FGF2                                                                                       |
