| Article Name               | Mesothelin Polyclonal Antibody, AbBy Fluor-750 Conjugated, BF750, Rabbit                                                                                      |
| Biozol Catalog Number      | BSS-BS-0300R-BF750                                                                                                                                            |
| Supplier Catalog Number    | bs-0300R-BF750                                                                                                                                                |
| Alternative Catalog Number | BSS-BS-0300R-BF750-100                                                                                                                                        |
| Manufacturer               | Bioss                                                                                                                                                         |
| Host                       | Rabbit                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                    |
| Application                | FC, WB                                                                                                                                                        |
| Species Reactivity         | Human                                                                                                                                                         |
| Conjugation                | BF750                                                                                                                                                         |
| Product Description        | Membrane-anchored forms may play a role in cellular adhesion. Megakaryocyte-potentiating factor (MPF) potentiates megakaryocyte colony formation in vitro.... |
| Clonality                  | Polyclonal                                                                                                                                                    |
| Concentration              | 1ug/ul                                                                                                                                                        |
| NCBI                       | <a href="#">10232</a>                                                                                                                                         |
| UniProt                    | <a href="#">Q13421</a>                                                                                                                                        |

|                    |                                                                                                        |
|--------------------|--------------------------------------------------------------------------------------------------------|
| Buffer             | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Source             | KLH conjugated synthetic peptide derived from human Mesolin                                            |
| Target             | Mesothelin                                                                                             |
| Application Dilute | WB(1:300-5000), FCM(1:20-100)                                                                          |
