| Article Name               | Recombinant Human EMC6/TMEM93 Protein, N-GST & C-His, Unconjugated                                                               |
| Biozol Catalog Number      | BSS-BS-105126P                                                                                                                   |
| Supplier Catalog Number    | bs-105126P                                                                                                                       |
| Alternative Catalog Number | BSS-BS-105126P-20,BSS-BS-105126P-50                                                                                              |
| Manufacturer               | Bioss                                                                                                                            |
| Category                   | Proteine/Peptide                                                                                                                 |
| Species Reactivity         | Other                                                                                                                            |
| Conjugation                | Unconjugated                                                                                                                     |
| Tag                        | N-GST & C-His                                                                                                                    |
| UniProt                    | <a href="#">Q9BV81</a>                                                                                                           |
| Buffer                     | Lyophilized from a solution in 10mM PBS pH 7.4, 0.02% NLS, 1mM EDTA, 4% Trehalose, 1% Mannitol.                                  |
| Source                     | Recombinant Human EMC6/TMEM93 Protein is expressed in E.coli with N-GST & C-His. It contains the amino acid sequence of 4-47/110 |
| Expression System          | E.coli                                                                                                                           |
| Purity                     | > 90% as determined by SDS- PAGE                                                                                                 |
