| Article Name               | STAT6 Polyclonal Antibody, Cy7 Conjugated, Rabbit                                                                                                             |
| Biozol Catalog Number      | BSS-BS-1143R-CY7                                                                                                                                              |
| Supplier Catalog Number    | bs-1143R-Cy7                                                                                                                                                  |
| Alternative Catalog Number | BSS-BS-1143R-CY7-100                                                                                                                                          |
| Manufacturer               | Bioss                                                                                                                                                         |
| Host                       | Rabbit                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                    |
| Application                | FC, IF                                                                                                                                                        |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                             |
| Conjugation                | Cy7                                                                                                                                                           |
| Product Description        | Carries out a dual function: signal transduction and activation of transcription. Involved in IL4/interleukin-4- and IL3/interleukin-3-mediated signaling.... |
| Clonality                  | Polyclonal                                                                                                                                                    |
| Concentration              | 1ug/ul                                                                                                                                                        |
| NCBI                       | <a href="#">6778</a>                                                                                                                                          |
| UniProt                    | <a href="#">P42226</a>                                                                                                                                        |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                       |

|                    |                                                                            |
|--------------------|----------------------------------------------------------------------------|
| Source             | KLH conjugated synthetic peptide derived from human STAT6                  |
| Target             | STAT6                                                                      |
| Application Dilute | FCM(1:20-100), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200) |
