| Conjugation                | PerCP                                                                                                                                                                                                                                                      |
| Product Description        | Auxiliary subunit of GABA-B receptors that determine the pharmacology and kinetics of the receptor response. Increases agonist potency and markedly alter the G-protein signaling of the receptors by accelerating onset and promoting desensitization.... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                 |
| Concentration              | 1ug/ul                                                                                                                                                                                                                                                     |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                                                                                                                     |
| Source                     | KLH conjugated synthetic peptide derived from human KCTD8                                                                                                                                                                                                  |
| Target                     | KCTD8                                                                                                                                                                                                                                                      |

|                    |                                                                                |
