| Category                   | Antikörper                                                                                                                                                                                                                                                                |
| Application                | IF                                                                                                                                                                                                                                                                        |
| Conjugation                | APC                                                                                                                                                                                                                                                                       |
| Product Description        | Voltage-gated K <sup>+</sup> channels in the plasma membrane are important regulators of electrical signaling, controlling the repolarization and the frequency of action potentials in neurons, muscles and other excitable cells. KCNT2 is a 1,135 amino acid multi-... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                                |
| Concentration              | 1ug/ul                                                                                                                                                                                                                                                                    |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                                                                                                                                    |
| Source                     | KLH conjugated synthetic peptide derived from human KCNT2                                                                                                                                                                                                                 |
| Target                     | KCNT2                                                                                                                                                                                                                                                                     |
| Application Dilute         | IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200)                                                                                                                                                                                                               |
