| Article Name               | PHEX Polyclonal Antibody, PerCP Conjugated, Rabbit                                                     |
| Biozol Catalog Number      | BSS-BS-12313R-PERCP                                                                                    |
| Supplier Catalog Number    | bs-12313R-PerCP                                                                                        |
| Alternative Catalog Number | BSS-BS-12313R-PERCP-100                                                                                |
| Manufacturer               | Bioss                                                                                                  |
| Host                       | Rabbit                                                                                                 |
| Category                   | Antikörper                                                                                             |
| Application                | FC, IF                                                                                                 |
| Species Reactivity         | Human                                                                                                  |
| Conjugation                | PerCP                                                                                                  |
| Product Description        | Probably involved in bone and dentin mineralization and renal phosphate reabsorption....               |
| Clonality                  | Polyclonal                                                                                             |
| Concentration              | 1ug/ul                                                                                                 |
| NCBI                       | <a href="#">5251</a>                                                                                   |
| UniProt                    | <a href="#">P78562</a>                                                                                 |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Source                     | KLH conjugated synthetic peptide derived from human PHEX                                               |

|                    |                                                                            |
|--------------------|----------------------------------------------------------------------------|
| Target             | PHEX                                                                       |
| Application Dilute | FCM(1:20-100), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200) |
