| Article Name               | GABA Transporter 3 Polyclonal Antibody, FITC Conjugated, Rabbit                                             |
| Biozol Catalog Number      | BSS-BS-13260R-FITC                                                                                          |
| Supplier Catalog Number    | bs-13260R-FITC                                                                                              |
| Alternative Catalog Number | BSS-BS-13260R-FITC-100                                                                                      |
| Manufacturer               | Bioss                                                                                                       |
| Host                       | Rabbit                                                                                                      |
| Category                   | Antikörper                                                                                                  |
| Application                | FC, IF, WB                                                                                                  |
| Species Reactivity         | Human                                                                                                       |
| Conjugation                | FITC                                                                                                        |
| Product Description        | Terminates the action of GABA by its high affinity sodium-dependent reuptake into presynaptic terminals.... |
| Clonality                  | Polyclonal                                                                                                  |
| Concentration              | 1ug/ul                                                                                                      |
| NCBI                       | <a href="#">6538</a>                                                                                        |
| UniProt                    | <a href="#">P48066</a>                                                                                      |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.     |

|                    |                                                                                            |
|--------------------|--------------------------------------------------------------------------------------------|
| Source             | KLH conjugated synthetic peptide derived from human GABA Transporter 3/GAT 3               |
| Target             | GABA Transporter 3                                                                         |
| Application Dilute | WB(1:300-5000), FCM(1:20-100), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200) |
